

Certificate Programs, Professional Sequences, and Other Curricula

UC Berkeley Extension offers a variety of planned curricula that allow you to explore a subject in depth and obtain a credential that can help you advance your career. Most programs require no application process; please read the details for the program you are interested in. Some programs are now available online for even greater flexibility and convenience. ● For information on program policies and procedures, go to www.unex.berkeley.edu/cert.

Certificate Programs

Our certificate programs require a minimum of 210 hours of coursework (7–10 courses). Use a form to register. For programs approved for veterans' benefits, please call (510) 642-4172 before enrolling.
