Agile Management is a framework of values, principles and practices that allows managers at all levels to plan work, engage teams and respond quickly to changing market conditions and business environments. In this practical program, learn how to apply an Agile approach to better involve your customers, embrace change, facilitate human interaction and achieve results. Explore how to use the intrinsic motivators of autonomy, mastery and purpose to accelerate and improve performance. Learn to leverage the most current systems-based thinking to craft a value strategy with a culture, currency and language around value so you can successfully create and effect change to solve problems and bring improved performance and productivity to your organization.

2 Required Courses, Minimum 2 Semester Units of Electives*
6 Semester Units, 90 Hours of Instruction

**Agile Management: Principles and Practices** BUS ADM X486.1
Learn how to use the Agile framework to successfully leverage change, improve team interaction and delight customers.

**Agile Management Mastery** BUS ADM X498.8
Explore the intrinsic motivators of autonomy, mastery and purpose and the impact of a values-based strategy on organizational performance.

*See the website for a complete list of available electives. Course availability is subject to change.
**Prerequisites for Admission**

There are no prerequisites for the Professional Sequence in Agile Management, but a bachelor’s degree is recommended.

**Curriculum and Completion Requirements**

The curriculum comprises 2 required courses and a minimum of 2 semester units of electives for a total of 6 semester units (90 hours of instruction). Only 1 semester unit of continuing education units (CEUs) can be applied as elective credit. Candidates must pay a nonrefundable program registration fee.

You must take all courses for a letter grade. To receive the Award of Completion, you must maintain an overall minimum 2.5 grade point average, with a grade of C or better in each course.

All coursework must be completed within five years of registering for the program. However, requirements may be updated based on new developments in the field of study; we recommend completing the curriculum in a timely fashion.

**How to Register for This Specialized Program of Study**

Register for the Professional Sequence in Agile Management at extension.berkeley.edu/cert/register.html. Click on the More Information button next to the program title to begin the registration process. Complete your student account profile if you are a new student, and pay the nonrefundable program registration fee.

You may enroll in individual courses without registering for the Professional Sequence in Agile Management.

**Value of a UC Berkeley Extension Specialized Program of Study**

As the continuing education arm of University of California, Berkeley, UC Berkeley Extension is a respected provider of adult and professional education. Fulfilling the requirements for a UC Berkeley Extension specialized program of study reflects the successful completion of a high-caliber, in-depth sequence of courses.
