SPECIALIZED PROGRAM IN

Drawing

Drawing, the foundation of any art practice, is your most accessible and versatile tool for exploring and expressing creative ideas. With the Specialized Program in Drawing, you master fundamental drawing techniques, methods and materials. Expand your understanding of line, gesture, volume, composition and perspective so you can accurately and artistically put your creative ideas into concrete form. Required and elective courses provide the opportunity to develop your perceptual awareness, technical range and artistic vision.

3 Required Courses, Minimum of 2 Electives*
10 Semester Units, 180 Hours of Instruction

Drawing Fundamentals  ART X405
(2 semester units)
Learn methods of describing objects in terms of line, value, shape and texture.

Drawing Intermediate  ART X406
(2 semester units)
Focus on rendering skills and creative approaches to composition and subject.

Figure Drawing  ART X415
(2 semester units)
Learn to draw an anatomically correct and aesthetically interesting human figure.

*See the website for a complete list of available electives. Course availability is subject to change.

Prerequisites for Admission
There are no prerequisites for the Specialized Program in Drawing, but a bachelor’s degree is recommended.

Curriculum and Completion Requirements
The curriculum comprises 3 required courses and a minimum of 2 electives for a total of 10 semester units (180 hours of instruction). Candidates must pay a nonrefundable program registration fee.

You must take all courses for a letter grade. To receive the Award of Completion, you must maintain an overall minimum 2.0 grade point average, with a grade of C or better in each course.

All coursework must be completed within two years of registering for the program. However, requirements may be updated based on new developments in the field of study; we recommend completing the curriculum in a timely fashion.

How to Register for This Specialized Program of Study
Register for the Specialized Program in Drawing at extension.berkeley.edu/cert/register.html. Click on the More Information button next to the program title to begin the registration process. Complete your student account profile if you are a new student, and pay the nonrefundable program registration fee.

You may enroll in individual courses without registering for the Specialized Program in Drawing.

Value of a UC Berkeley Extension Specialized Program of Study
As the continuing education arm of the University of California, Berkeley, UC Berkeley Extension is a respected provider of adult and professional education. Fulfilling the requirements for a UC Berkeley Extension specialized program of study reflects the successful completion of a high-caliber, in-depth sequence of courses.
