

**POSITION ANNOUNCEMENT - INSTRUCTOR – INTRODUCTION TO APACHE SPARK****JOB TITLE:****Instructor - Introduction to Apache Spark****LOCATION:****San Francisco Bay Area, CA**

UC Berkeley Extension, the professional and continuing education division of the University of California, Berkeley, is accepting applications for instructors for courses in Apache Spark. Teach for UC Berkeley Extension's Technology and Engineering department and enjoy the rewards that come with sharing your expertise with our highly-motivated students.

We are currently seeking experienced instructors with expertise in the following areas:

- Spark Core
- SparkSQL
- Spark Streaming
- GraphX
- Cluster Management (Hadoop, YARN, Mesos)
- Python and/or R

UC Berkeley Extension's programs and courses in Technology and Engineering provide the innovative training students need to thrive in today's dynamic market, including the latest approaches in business intelligence, analytics, databases, electrical engineering, integrated circuits, technology leadership and management, software development, and technology fundamentals.

**QUALIFICATIONS:**

- Bachelor's degree in a related field of study required (Master's degree preferred).
- Three or more years of professional experience in cluster computing required.
- Prior teaching experience preferred.

**TO APPLY:**

Submit cover letter and resume or CV to [extension-jobs@berkeley.edu](mailto:extension-jobs@berkeley.edu). The length of employment is by agreement and based upon the course section schedule. Classes are held in the evenings or weekends at 160 Spear St. in San Francisco and at 1995 University Ave. in Berkeley.

All letters will be treated as confidential per University of California policy and California state law. Please refer potential referees, including when letters are provided via a third party (i.e., dossier service or career center), to the UC Berkeley statement of confidentiality (<http://apo.berkeley.edu/evalltr.html>) prior to submitting their letters.

**ABOUT US:**

UC Berkeley Extension, the professional and continuing education division of the University of California, Berkeley, has been building bridges between UC Berkeley and the public since 1891. As a self-supporting unit, Extension brings the research, scholarship and mission of UC Berkeley to regional, national and global audiences. Through flexible scheduling, competitive pricing, and innovative online delivery, UC Berkeley Extension serves the professional and continuing education goals of thousands of U.S. and international students each year.
