POSITION ANNOUNCEMENT

Instructor – Swift App Development

Location:
San Francisco Bay Area, CA

Job Type:
Part-Time, Non-Tenure Track, Academic

Job Summary
UC Berkeley Extension, the professional and continuing education division of the University of California, Berkeley, is accepting applications for classroom and online instructors for courses in Swift App Development. UC Berkeley Extension’s programs and courses in Technology and Engineering provide the innovative training students need to thrive in today's dynamic market. Teach for UC Berkeley Extension’s Technology and Engineering department and enjoy the rewards that come with sharing your expertise with our highly-motivated students.

Responsibilities
We are currently seeking classroom and online instructors with expertise in the following areas:
• Swift, Objective-C, C++, Java or another object-oriented programming language (Swift preferred)
• iOS and macOS (watchOS a plus)
• UI/UX
• Web and Mobile development
• Prototyping and project planning
• GitHub

The length of this part-time, non-tenure track, teaching appointment is by agreement and based upon the course section schedule. Courses are offered in Berkeley, San Francisco and online.

Qualifications
• Bachelor's degree in a related field of study required (Master's degree preferred).
• Three or more years of professional experience in Swift App Development required.
• Must be able to reliably commute to the San Francisco Bay Area (required for classroom courses only)
• Prior teaching experience preferred.

To Apply
Submit cover letter and resume or CV to extension-jobs@berkeley.edu.

All letters will be treated as confidential per University of California policy and California state law. Please refer potential referees, including when letters are provided via a third party (i.e., dossier service or career center), to the UC Berkeley statement of confidentiality (http://apo.berkeley.edu/evalltr.html) prior to submitting their letters.

About Us
UC Berkeley Extension, the professional and continuing education division of the University of California, Berkeley, has been building bridges between UC Berkeley and the public since 1891. As a self-supporting unit, Extension brings the research, scholarship and mission of UC Berkeley to regional, national and global audiences. Through flexible scheduling, competitive pricing, and innovative online delivery, UC Berkeley Extension serves the professional and continuing education goals of thousands of American and international students each year.
